DESCRIPTION

1st Showing at 2/8 Open House 12pm - 1:30pm. Situated in the Towers on the Park Condominium, just on the corner of Central Park and next to the subway, comes a renovated 1 bedroom. As you enter you will notice the new bamboo floors and ample light from wide open views stretching over the tree tops to Columbia and the roof tops to the North. All views are very open and offer a great field of depth. Both the kitchen and the bathroom have been updated with style and functionality in mind. The kitchen houses stainless steel appliances, stone counters and a large double door fridge. The bedroom has ample room for a king sized bed plus full set up. The entry door has been changed to open to the living room so to connect/open the space plus add additional closet space. (you could easily change the door back to its original position). The Towers are a full service condominium with manned entrance, laundry, bike room, parking and storage available. There is a current assessment to replenish reserve fund till February 2016 (\$44.97 / Month). No Dogs allowed. Taxes would be less if you took coop/condo abatement - 555.36 per month; current taxes are not using abatement
