DESCRIPTION

Three bedroom, two bathroom penthouse loft in the heart of SoHo. With approximately 1700 square feet of interior space and 1400 square feet of exterior space, this newly renovated property is a seamless blend of iconic, authentic 19th century detail and the conveniences of 21st century living. Featuring a central, soaring glass atrium spanning the main living area, this loft is flooded with natural light and numerous beam-crossed skylights throughout (with remote control operation to both open the skylights -- which close automatically should it rain -- and darken the rooms). All bedrooms are generously sized; the master containing an en suite bathroom. An architecturally stunning staircase provides access to the expansive, dual level outdoor space; the upper level of which provides both privacy and sweeping views of lower Manhattan. Other features include: Washer/dryer, Jacuzzi, central air with independent zoning control, and abundant closet and storage space throughout. Video intercom and keyed elevator provide solid security. No Board approval required. Pets on a case-by-case basis. Located between Spring and Prince Streets in the heart of SoHo with easy access to the Village, Bowery, Tribeca, the Lower East Side and all that Downtown has to offer. Convenient to all transportation. By appointment.
